

Mayer & Cie. training center

Online Workshop programme

our performance for your profit

Mayer & Cie.

www.mayercie.com

1. Beginners level training: MDS 1

(Mayer Design software)

Content:

Participants learn how to create drawings and how to import existing designs into MDS 1 via BMP. Working with rapports is also part of this training on simple electronic machines such as OVJA 1.6 E, OVJA 2.4 E, OVJA 2.4 EM, MJ 3.2 E.

Participants may indicate machines most important to them.

Target:

Course participants will be able to save patterns and will know (in theory) how to transfer them to the machine.

2. Advanced level training: MDS 1

(Mayer Design software)

Content:

This training is targeted at experienced users of double electronic machines such as OVJA 1.6 EE, OVJA 1.6 EE 3/2 WT etc. Participants may indicate machines most important to them. The seminar covers creation of drawings, importing designs into MDS 1 and working with rapports.

Target:

Apart from a profound understanding of MDS 1, participants will be able to work with a cone colour arrangement table.

Info

Trainings may be adapted to the participants' individual needs: You are more than welcome to name any topics particularly relevant to you, e.g., production of patterns for mattress covers or for shoe uppers. The Mayer & Cie. training center will tailor the seminar accordingly.

Packages and prices

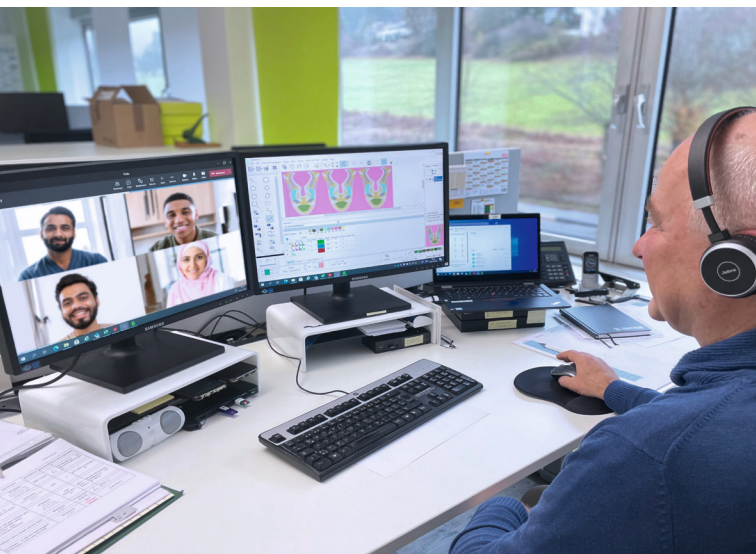

Minimum training time is four hours. The minimum group size for a training is two people. For groups of three people and more from the same company, there are discounted rates (see below).

Depending on the participants' topics and requirements, the Mayer & Cie. training center offers seminars ranging from four up to twelve hours. The team advises participants accordingly.

Trainings with participants from different companies

Duration of training	Total (in €) per participant
Four hours.....	240,00
Eight hours	480,00
Twelve hours.....	720,00

Trainings with participants from the same company

Duration of training	Number of participants	Total (in €)
Four hours.....	1	240,00
	2	480,00
	3	594,00
	4	708,00
Eight hours	1	480,00
	2	960,00
	3	1.188,00
	4	1.416,00
Twelve hours.....	1	720,00
	2	1.440,00
	3	1.782,00
	4	2.124,00

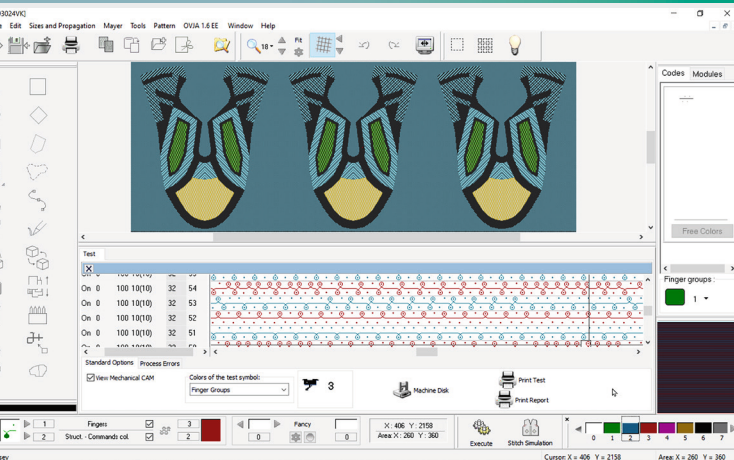

Mayer & Cie. offers MDS 1 online training sessions on a regular basis.

All through the year, trainings are available upon request:

training@mayercie.com

Participants taking a training together should be located in the same time zones. Schedules of the online sessions will be organized individually and according to time difference.

Your licence

MDS 1 licences

Please note:

In order to partake in our online MDS 1 training, there are two options:

- ✓ You already work with MDS 1 and have a hard lock.
- ✓ You have not worked with MDS 1 so far. In this case, Mayer & Cie. will provide you with a link to the online demo version of MDS 1. You will get this link after registration. Please make sure you use the same computer during the entire training session as the code is limited to one device.

**“Expand your know-how in
circular knitting.
Optimise your benefit.
Maximise your profit.”**

Benefit from our competence in circular knitting

Mayer & Cie. has manufactured circular knitting machines for more than 115 years. Mayer & Cie. sells its machines all over the world via an international network of sales representatives.

Once in everyday use, you might find your circular knitting machine offers more than meets the eye. Regular seminars held by our experienced staff enable you to make the most of your machines. You can either attend a seminar at Mayer & Cie.'s headquarters, have the trainer come to your site – or take an online training.

No matter which option you choose, be sure to benefit from our experience and expertise. The entire range of Mayer & Cie.'s current online seminars is listed in this flyer. For further enquiries or bookings, please refer to the following e-mail address: **training@mayercie.com**.
